## School PTA

Welcome to our first newsletter of the academic year! Welcome to all the new families who have joined the school community this year and welcome back everyone! We had an amazing year last year of fun fund-raising events and are looking forward to another year of the same! We are really proud of what we achieved last year as a school community with the great events and the money raised which provided the climbing frame and sheltered area at the school! Thank you!

## FUNDRAISING UPDATE

This year we have two main goals to work towards this year:

1, To raise money to purchase laptops for school. Bids are currently being explored but the amount needing to be raised is approx. £15-20000. This will provide 30 laptops for the school.

2. To raise money to expand the reading library in school. Reading is key to our children's development and education, and we would like to expand the reading materials available for our children.

We are working towards events in the new year specifically aimed at expanding the reading library and will keep you updated.

## FUSS

<https://wirralfuss.co.uk/>

We are very lucky that locally we have an amazing provision of second-hand uniform. The organisation relies on volunteers, and we have been so lucky to have Helen Peters acting as the lead for the school- thank you Helen! Helen has had to step back from her role and we would love to hear from someone who would like to take over this role. If you would like more details about what is involved please get in contact with us.
