We are also always looking for new volunteers to help run and plan new events so the more the merrier!

1**SUPPORT THE SCHOOL**

The PTA is vital to the success of the school. Funds raised enrich your child's learning and make every student's experience better. Be part of the group that pays for the playground your child loves or funds the library that's their favourite place to be.

2**IT'S TOTALLY FLEXIBLE**

Whether you're a full-time parent or working the nine to five, anyone can get involved. It's less commitment than you think, and you don't always have to attend meetings. Small jobs such as designing a poster, distributing letters or running a stall keep everything running smoothly.

3**MAKE LASTING FRIENDSHIPS**

Meet and chat to a wider circle of families from different classes and year groups. Get to know other parents, and bond over exciting events, socials and get-togethers. Find a place to belong and spend time with others who share your values.

4**BE BETTER CONNECTED**

Create closer links with the head, teachers and staff. If you're new to the school, the PTA is an excellent way to find out how things work and become part of the community. If not, you'll still gain greater insight by seeing how things work from both sides.

5**BECAUSE IT'S FUN!**

Be part of the team which organises the best events and get-togethers. Debrief over a glass of wine (or two). Suggest your most hare-brained idea and watch as it catches on and everyone wants a piece of the action. Laugh. Cry. Be there for each other.

6**CHANGE SCHOOL FOR THE BETTER**

Have your say on important decisions. Work with the school and other parents to see where improvements can be made, and implement them. Directly influence the experience of your child and hundreds of others.

7**LEARN NEW SKILLS**

Everyone has something they can bring to the PTA, but you can also learn new skills by trading with others. Always wanted to perfect that cookie recipe? Not sure how to design a poster? Want to hone your public speaking skills? You can do it with the support of the committee.

8**IMPROVE YOUR CHILD'S LEARNING**

Studies show that children whose parents are involved in their education do better in school. Engaging with the PTA shows your children's education is important to you. Play your part in improving the school and watch them

9**IT'S NOT JUST FOR MUMS**

Everyone is welcome, and it's especially important to have dads and male carers represented, as male role models are crucial in children's upbringing. Dads can bring different skills; they can bring a different perspective, and they can bring along other dads.

10**CREATE LASTING MEMORIES**

Our children are only at school for a few years, but they will remember the difference we make for a lifetime. They will cherish the activities and games we fund, learn using resources we buy, and remember the events we hold. Help keep the PTA going so future pupils can benefit too.
