

Alia Craft Club – Gayton Primary KS2 years 3,4,5 and 6. Autumn Term 2023

Dear Parents/Carers

I am delighted to continue to offer Alia Crafts afterschool club to KS2 children from September 2023. Starting Tuesday 19th September through to, and including, 5th December. With the exception of half term; 24th October.

I will be covering a range of enriching, creative and fun art and craft activities. All materials will be included; however, please could you send in an old named shirt for your child to protect their uniform.

Children will attend straight from school and will require collecting by an authorised adult at 4.30pm from the main office.

The cost of the club will be £7.50 per session. £82.50 for the full 11 weeks. Should you wish to split the payments into two half term amounts (5 weeks and 6weeks), please let me know and I will be happy to help.

The club will run on a first come, first serve basis; numbers are capped to ensure children receive support where necessary.

Please email nicolaheatherington@yahoo.co.uk to secure your child's place with the following details:
