

Google Meet Instructions

Your teacher will create a post on your class stream reminding you with the date and time of the meet just like the example below

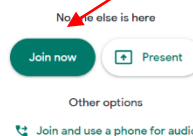

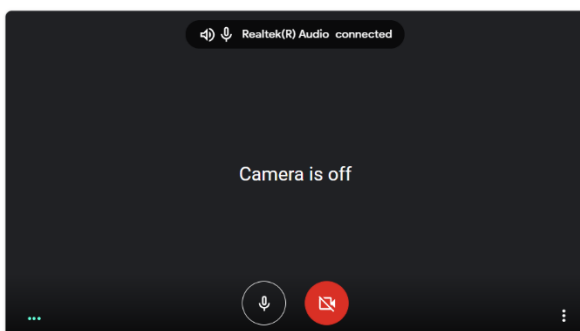

The link to the meeting will be pasted into the comments 5 minutes before the start time, as well as the post being edited to include the meet link.

Click the blue hyperlink provided in the post and this will open a separate tab which will check the camera and microphone is working. Make sure both are turned on initially to enter the meeting. Then click 'Join now'
