

Alia Craft Club – Gayton Primary KS2 years 3,4,5 and 6. Autumn Term 2022

Dear Parents/Carers

I am delighted to offer an afterschool craft club to KS2 children from September 2022. Starting Tuesday 20th September through to, and including, 6th December. With the exception of half term; 1st November.

I will be covering a range of enriching, creative and fun art and craft activities including making a dreamcatcher, Halloween lantern and handprint animals. All materials will be included, however, please could you send in an old named shirt for your child to protect their uniform.

Children will attend straight from school and will require collecting by an authorised adult at 4.30pm from the main office.

The cost of the club will be £7.50 per session. £82.50 for the full 11 weeks. The club will run on a first come, first serve basis; numbers are capped to 12 to ensure children receive support where necessary.
