Dear Parents/Carers,

I'm Michael Hall, Director of Hall Star.

We're thrilled to partner with Gayton Primary to boost children's activity and confidence through diverse sports programmes during lunchtimes, after-school, and during curriculum PE lessons.

With over 16 years in primary school sports, we understand the importance of variety in activities.

This term we are introducing Euro 2024 football on Fridays and a thrilling Nerf-Active Club on Mondays. Expect skill-building football sessions inspired by Euro 2024 and energetic Nerf games like obstacle courses and team challenges. These clubs are a great way for your child to stay active and enjoy time with friends post-school.

Book now at <https://hallstar.classforkids.io>.
More details on pricing and dates overleaf.

Contact us for any further information or assistance with booking.

Looking forward to an active term,
Michael Hall
Director, Hall Star
